

B.C. Needs a Corruption Inquiry

After decades of unchecked political power, fuelled by unlimited amounts of money from corporations, unions and wealthy individuals from anywhere in the world, British Columbia finally has laws to ban Big Money. But with revelations of fentanyl dealers laundering money through casinos and real estate, it's clear we are still suffering the consequences. It's time to break the silence and hold politicians accountable. We need an independent investigation into the impact political donations have had on major decisions in our province.

Yes! It's time to break the silence and hold politicians accountable. We need a Corruption Inquiry in B.C.
