

Stop the Texas Tanker Bailout!

Justin Trudeau wants to hand billions of taxpayer dollars to Texas oil execs – so they can force a pipeline to the B.C. coast without Indigenous consent and despite opposition from the B.C. government. Two years ago, the Liberals campaigned on a promise to end fossil fuel subsidies. Now they're talking about handing a Texas pipeline company a blank cheque.

I call on the Trudeau government to stop its taxpayer bailout for Kinder Morgan-- please print clearly.
