

# Proportional Representation: Building a stronger democracy together

For too long, politicians and their friends — real estate developers, oil and gas lobbyists, political insiders — have had a chokehold on this province. The rich keep getting richer while real working people face the consequences — the housing market, the overdose crisis, environmental disasters. But together we are going to dismantle this unequal, unfair system and rebuild it into something that actually reflects what British Columbians need.

**Yes! I want a democracy that actually works for everyone. I pledge to vote YES to Proportional Representation.**
