Stop giving our tax dollars to oil companies!

❈ Dogwood

Canadian governments give billions of dollars in handouts to the oil and gas industry every year. From tax breaks to bailouts, they literally pay these companies to pollute our waters and destabilize our climate. Prime Minister Trudeau promised to end fossil fuel subsidies. Instead he gave $4.5 billion to Kinder Morgan. Now, he wants to build the Trans Mountain expansion -- putting B.C. communities at risk with our tax dollars. Enough!
